

PETERSFIELD ECO-FAIR STALLHOLDER'S TERMS AND CONDITIONS

BOOKINGS AND FEES

Booking forms must be completed and returned by 29th April 2024. Payment must be made by 31st May 2024. However, do not delay your booking too long, as pitches are popular.

STANDS AND PITCHES

You will be allocated a specific space. Please ensure that your stand does not extend beyond the boundaries of your allocated space. If you require additional space or require side access to the stand please let us know in plenty of time.

We want the event to have lots to see, lots to hear and lots to do, so we encourage stalls to be as interactive and engaging as possible.

This year you can bring your own 3m x 3m gazebo. All gazebos and displays on the site must be fit for purpose and erected safely on site. Please bring adequate weights to secure your gazebo for any weather conditions. Equipment will be asked to be taken down by the organisers if it is unsafe before or during an event. NB: No pegging is allowed into the Heath because of its archaeological status.

If you are unable to provide a gazebo, you may hire one from us at the following price:

3m x 3m Gazebo - £60

Table - £10

The event is taking place on Petersfield Heath, so the ground is likely to be uneven. Please bear that in mind for your activities.

The charges for pitches are:

- Charity/community group - £12
- Retail/commercial - £70
- Caterer – 10% of takings (a £40 deposit is required to secure your pitch)

GOODS SOLD

Goods sold must be those described on the booking forms. If there are any changes to your goods please let us know in advance. This is an Eco-Fair therefore we will prioritise goods and services that are sustainable, locally sourced and ethically produced.

TRADING STANDARDS AND HEALTH AND SAFETY

All stall holders must provide a copy of a risk assessment for the event before attending, taking into account the uneven ground of the Heath. Hygiene certificates must be submitted to the organisers in advance by anyone selling food. All stands and catering units must be maintained in a clean, tidy and hygienic condition throughout the event. Regular monitoring must be carried out by the stallholder to ensure no hazards arise.

VEHICLES

There are no vehicle movements on the public areas while the event is open to the public. Approved

vehicles will be issued with passes in advance. Details of vehicle access for set up and set down will be sent nearer the event time. We will aim to minimise disruption to the Heath.

CLAIMS, INDEMNITY AND INSURANCE

Each stallholder shall indemnify the organisers against all liabilities, actions, costs, claims and compensations for injury or loss to any persons, or damages as a result of his/her involvement in the event. Each stallholder must adequately insure to cover all his/her liabilities. The organisers are not liable for any theft, loss or damage to persons or property which the stallholder, their agent or staff may cause or sustain from any cause whatsoever.

CANCELLATION, ABANDONMENT AND LIMITATION

In the event of cancellation, abandonment, postponement or limitation of the event, there will be no claim against the organisers who reserve the right to transfer the event to another venue and/or date. The organisers cannot be held responsible for any loss of earnings or expenses incurred by the stallholder as the result of cancellation, abandonment or limitation of the event, the failure of electricity supply, inclement weather, incorrect or non-appearance of advertisements, removal of directional signs or any other factor. If unforeseen circumstances cause Petersfield Town Council or Petersfield Climate Action Network to cancel the Petersfield Eco-Fair, all stall holders will be informed as soon as possible and will receive a 95% refund with 5% being retained to cover administration. Petersfield Town Council or Petersfield Climate Action Network accepts no liability for costs or expenses incurred by the stallholder in the event of cancellation or postponement.
